

Dog Breeds

German Shepherd

The German Shepherd is a dog breed known for their intelligence and loyalty. As their name suggests, they are a German breed of working dog. They have a life expectancy of 9-13 years and males weigh between 30 and 40 kilograms.

Golden Retriever

The Golden Retriever is a Scottish breed. It's defining characteristic is it's beautiful gold coat, as well as it's affectionate nature. They have a lifespan of 10-12 years.

Poodle

The Poodle originates both in Germany and France (where it is called a Caniche). It is a breed of water dog, and has a life expectancy of 12-15 years.
